

This anatomy of the nature of leisure today examines how the leisure society evolved as workers became liberated from the rigours of industrial manufacture, but how it, at the same time, imposes rigours of its own on those who service it - the croupiers, the waiters, the nannies. The authors focus is on the human dimension, describing how the quest for leisure affects both those who seek it and those who provide it.

The Structure of Schooling: Readings in the Sociology of Education, Supernatural, Humanity, and the Soul: On the Highway to Hell and Back, Four Famous Northumbrians, Seres de luz y entes de la oscuridad (Spanish Edition), Ploughs and Politicks, Machine Organization: An Introduction to the Structure and Programming of Computing Systems,
