

The Luck Of A Countryman: Tales from the Dales

The enchanting sequel to A Countrymans Lot, which told the story of Max Hardcastles move to the Yorkshire Dales and the richness of life as an antiques dealer, The Luck of a Countryman contains an array of eccentric characters and curious situations which are guaranteed to delight and amuse. Old favourites reappear in new -- and sometimes alarming -- situations. And a myriad of new personalities join in the ups and downs of life in the Dales. Life is not all plain sailing, but the Hardcastles join in wholeheartedly with the trials and triumphs that beset the peaceful village of Ramsthwaite. How will they ever shift Thievin Jacks van from the pond? And will the wedding of the year go off smoothly?
