

Poetical Works of Robert Bridges, Excluding the Eight Dramas (Classic Reprint)

Poems and Masks (as apart from the Dramas) contained in the collected editions of the Poetical Works of Robert Bridges, together with two groups of Later Poems and Poems in Classical Prosody now published for the first time or now first collected. A record of the previous publication of the poems will be found in the bibliographical notes prefixed to the various sections of the present book. The spelling of certain words is not uniform throughout the poems. This is due to observance of the text of the earlier editions of different dates, in the notes to which the authors justification of these peculiarities was given. (Typographical errors above are due to OCR software and do not occur in the book.)
