

The Thatcher Years: How The Times and The Sunday Times told her story

Trace the rise and fall of the 20th century's longest-serving prime minister in news stories, interviews and profiles spanning four decades in our exclusive ebook. Contemporaneous reports reveal the impact of her arrival in No 10, how she triumphed in the South Atlantic and at the ballot box, and then stumbled into the political fiasco of the poll tax and a challenge to her leadership. This publication tells the full Thatcher story, from the moment she caught the eye of Tory MPs who encouraged her to challenge for the party leadership, to her dramatic fall from office, as reported in the pages of The Times and The Sunday Times.
