

# The Tangram Fury 2D Chess Activity Book: Print-and-Play (The Tangram Fury Tangram Activity Books)

The makers of the multi-player, competitive puzzle game, Tangram Fury, have come out with a series of ebooks on tangrams. The Tangram Fury 2D Chess Activity Book is a cute, little book that includes everything needed to play the games of chess and checkers - with pieces made entirely of tangrams. As with the other Print-and-Play ebooks, just print them, cut them out, and have at it! Go on! What are you waiting for? Don't sit there stale-mated, it's your move! You just might get hooked...
