

Stunning photography by acclaimed photographer Michael Clinton Michael Clintons travels are ones to which many people today aspire, making Globetrotter Diaries an inspiring, informative, and entertaining guide to world travel today After publishing five previous photography books with Glitterati, this is the authors first foray into text-based book publishing and promises to be an excellent counterpoint to his image-based work In an era when the earth is our oyster, Michael Clinton is the premier globetrotter in search of its pearls. Over the course of more than 35 years, Clinton has traveled the seven continents documenting his experiences in photographs. Now, for the first time, Clinton tells it like it is. In Globetrotter Diaries, the author shares with us his adventures, his knowledge, and his witty reminiscences of his life on the road. As the author of five photography books with Glitterati, Clinton is well-versed in the native customs, rituals, and landscapes of the most popular and remote places around the world. This book provides the perfect companion piece to his photographic work. Here Clinton reveals himself as he learns the nature of humanity from its billions of inhabitants who make travel one of lifes greatest pastimes.

Dating Confessions: A Journey Of The Heart . . . Letters, E-Mails, On-Line Dating, The Best Standards Ever: Piano, Vocal and Guitar: volume 2 L-Y, Loose Screws: Anecdotes from a Bronx boy who has lived around the world, Maryland Historical Magazine Volume 17, Yr.1922, Been Doon So Long: A Randall Graham Vinthology, Imagining Slaves and Robots in Literature, Film, and Popular Culture: Reinventing Yesterdays Slave with Tomorrows Robot, Great Songs from Thoroughly Modern Millie [sheet music], Lives of Illustrious and Distinguished Irishmen, Vol. 6: From the Earliest Times to the Present Period; Arranged in Chronological Order, and Embodying ... in the Lives of Irishmen (Classic Reprint),
