

Transient: A Colored Girls Travels

Transient: A Colored Girls Travels is the story of a brown girl with an American passport and very little compunction about pursuing what she wants--even when she should stop and think it over. Salihah dances, drinks, dates and attempts to find her purpose in this autobiographical novel that chronicles a young woman's twenties. With a little flirting, a lot of signs from her guardian angel and her crew of eclectic travel buddies she makes her way across four continents. Her companions on these escapades include a half-Ethiopian half-Brazilian dating guru, a gay retired ballet dancer and a collection of loves from the beach who can never come home to her real life. Transient: les Voyage de une Fille de Couleur est le premier roman autobiographique écrit par Simone Salihah. Durant son écriture, les lecteurs prendront part à les aventures, les romances et la découverte personnelle, elle vécue comme une jeune femme de couleur voyageant le monde. Elle espère que ses histoires vont encourager les jeunes femmes de couleur à voyager à l'étranger de la même manière que leurs homologues blanches. Lisant son commentaire honnête au sujet de situations délicates fera rire. Transient est un mémoire de voyage unique qui explore les cultures locales. Il est pertinent parce que peu de femmes de couleur explorent les pays étrangers au-delà des sites touristiques et encore moins écrire à ce sujet. Nomada: Las Aventuras de una Morena es la primera novela autobiográfica escrita por Salihah Simone. En su escrito, usted participará en las aventuras, romances y el crecimiento personal que experimento como una negra joven viaja por el mundo. Ella espera que sus historias animara más morenas jóvenes a viajar por el mundo de la misma manera que sus contrapartes blancas. Leyendo su comentario honesto acerca de sus situaciones extrañas te hará reír. Nomada es un libro de memorias de viaje única que explora las culturas locales. El libro es
