

## Unpolished Gem: My Mother, My Grandmother, and Me

This story does not begin on a boat. So commences Alice Pungs memoir. This is an original take on a classic story - how a child of immigrants moves between two cultures. In place of piety and predictability, however, Unpolished Gem offers a vivid and ironic sense of both worlds. It combines the story of Pungs life growing up in suburban Footscray with the inherited stories of the women in her family - stories of madness, survival, and heartbreak. Original and brave, this is a girls own story that introduces an unforgettable voice and captures the experience of Asian immigrants to Australia.
