

From Desolation to Restoration is a book about my journey and where the Lord has brought me from. God inspired me to write my story so others may be healed and delivered. Although some of the things I have shared are very personal, I have a strong desire to glorify God and let my story be told. God has redeemed me from the pits of hell and saved my life. My prayer is that every person who reads this book will be affected in a positive way. I have been delivered from addiction, abandonment, low self esteem, codependency, poverty and a many other things. I pray that my story can serve as a tool to draw others to Christ and bring awareness.
