

## Beckett Versus Beckett.(Samuel Beckett Today/Aujourd'hui 7)

Au cours des sept années d'existence de notre revue, nous avons pu être témoins d'un bon nombre de controverses concernant l'œuvre de Beckett, que ce soit au sujet des publications posthumes ou bien par rapport aux représentations de ses pièces. Plus généralement, il existe aussi quantité de controverses portant sur la genèse et la transmission de ses textes, ses propres traductions inclus. Enfin, dans la recherche beckettienne récente, on peut repérer diverses controverses sur les rapports qu'entretient cette œuvre avec les perspectives et les stratégies postmodernes entre autres. Nous publions dans notre numéro sept 31 approches fort variées de cette problématique par autant de beckettiens chevronnés.
