

## We Have a Good Time ... Dont We?

Introducing a hilarious, strikingly original voice from a leading Irish comedian perfect for fans of Caitlin Moran Maeve Higgins, comedian and lady, smashes the brittle veneer on the creme brulee of life and hands around spoons, so we can all taste the delicious absurdity that lies beneath. She then promises to stop making terrible food analogies about everything. From terrifying bachelorette nights, malevolent dolphins, and angry bakers, to runaway cats, a stalker who won't commit and the curse of over-politeness, Maeve writes with warmth and wit about what it's like to be a regular human girl. And, crucially, she finally reveals the truth about her relationship with Michael Fassbender. Hers is a fresh voice that celebrates the truth of what we really feel about ourselves, through hilarious and perceptive snapshots of a life considered.
