Includes the award-winning stories Going Green, Seeing Red and Driving Miss Conception! Excerpts from Why I Hate Straws I finally decided to try one of the new, non-threatening light bulbs you know, one of those curly things that looks like soft-serve ice cream, costs more than a tanning bed, and is guaranteed to save me up to 12 cents between now and the formation of any new continents. You may be thinking, though probably not, how does a mere mortal build a web site? Well, its really quite simple. I type normal human words, wrap them in weird code words, and suddenly youre able to download air-brushed pictures of moody Nordic women. Thanks to Congress and our recently co-elected President of America and Europe, our company can now take advantage of the new bill known as CLASP (Comically Ludicrous American Spending Policy), a bill which all members of Congress promise to read. Eventually. She spent the next hour or so fielding phone calls from the 5% of Americans who now pay everybody elses taxes, calling to see if she needed anything. Across the room, a bitingly nasal duck stood atop her desk, writing checks to pay her bills. Outside, a suicidal dust mop and a mariachi band looped through their one-tune repertoire. G. Gordon Liddy stormed in, demanding she protect her assets by buying gold. She hit him with the duck. Health insurance cant possibly kill you, because you never actually get any health insurance. What you get is a health insurance policy, written by some deranged lunatic, sitting in a dark bar booth at 2am, with a legal thesaurus and a How To Cheat At Scrabble paperback, near the tailing end of a probably toxic and definitely criminal bout of participation in Intravenous Tequila Injection Nite. After thanking himself, and then introducing himself, and then thanking himself for inviting himself, the President actually said, out loud, next
